Vol. LXIII

NOVEMBER-DECEMBER 2011

No. 5

ON THE EASTERN SIDE LINES

After two wonderful years I find myself back where I started, but not the same as when I started. Thanks once more to all who assisted over the last two years, what a great experience it was for me. But really, as I have often stated, John W. Barkley Lodge has been truly blessed because of the interest and participation the Past Masters take in their Lodge's activities. While I may have some additional commitments to some of the other ancillary Masonic bodies, I plan to continue in the legacy of our other Past Masters and continue my work in the Lodge, and I have already begun practicing saying, "Well, in my year . . ."

WB hopeful Ramzi Jammal has an interesting year planned, and there will be plenty to help with, especially in filling the roles of those brethren we have recently lost.

I can now take a more leisurely approach to my articles, and can delve into some more esoteric issues. There is always something to do in the Masonic family. So thanks again for your confidence in me, and I only hope I give back to others the great gift that I have received from all of you.

—WB Thomas Klecan

The North Olmsted Masonic Temple now has a Paper Recycling Retriever Bin located right in front of you as you come into the Temple parking lot East drive.

Please bring ALL your newspapers, magazines, shopping catalogs, all your junk mail, office and school papers and phone books.

Please put them into the small opening in the side of the bin.

Every little bit helps, and recycling helps your Temple!

Article VII – Each member shall pay annually, in advance, the sum of **FORTY DOLLARS** INTO THE FUNDS OF THE LODGE, at or before the November stated meeting for the election of officers.

Please Remember Your Lodge in Your Will. Thank You, Very Much!

From the Desk of Your Secretary November & December 2011

Brethren, I appreciate receiving your 2012 dues. I was receiving 20 to 25 dues a day in early September BUT now they are coming in very slowly, only 4 or 5 a day. 50% of the 50 plus year Brethren have returned their letters to me but I have only heard from 40% of the rest of the Brethren. **I still need to hear from everyone.** Most of the Brethren have given me the information of a family member for us to contact in case of emergency. Many have sent a stamp for the return of your 2012 dues card but it would be much nicer if you would come to your Lodge and pay your dues in person.

By the time you receive this it will be time for our annual meeting and you **CAN NOT** attend the annual meeting without a 2012 dues card.

Since the beginning of September we have received eight new petitions for membership in our Fraternity.

Five have been investigated and been voted into membership, three have not yet been investigated yet. We will be doing a lot of degree work again this year.

We had a bad month of September, seven of our Brethren passed away. (See In Memoriam).

If you have not received anything from me via email, it is because you have not given me your email address Some have changed providers or have discontinued having email. If your email address *has changed in any way* please let me know ASAP.

We need to cut our costs for the *Barkley Light* and receiving it via email would certainly help. It costs us about \$1.00 per hard copy to have it printed, not counting the postage and envelopes.

Please don't be a stranger in your Lodge. The Rusty Nail Degree is scheduled for October 26th at 7:00 pm and is for those who have not been to lodge for some time. This is a refresher for you as well as us.

Please bring in at least one new member so our Lodge and the Fraternity can continue for many years to come. *Please bring one in!* If you need a petition just call the Secretary @ 216-521-5557 and I will send you one right away.

If you know of someone who would like to advertise in the *Barkley Light* please let me know ASAP.

This is your Lodge; please support it as often as you can.

There are no strangers here, only friends you have not as yet met.

VIEW FROM THE WEST

The plans are under way for next year and the officers are preparing to step up and assume their responsibilities. The calendar is full for the upcoming year and we have a lot of degree work on the horizon. With that said brethren, we need candidates. Mentors, please let the secretary know if you can help so we can develop a network that can guide the future of the lodge.

The important dates for the first three months are posted in this issue of the *Barkley Light*. Please add them to your calendar; we are looking forward to enjoying the events with all the brethren, especially Awards night as we are looking forward to seeing everyone as always, and the Kids Christmas party, as the Grotto Clowns "Buffoons" are coming with their balloons acts and funny tricks along with face painting and more.

Our brethren from the Saint Georges Lodge will be here for installation. We are looking forward to enjoying their company and welcoming them back into Cleveland. We are in communication with them and we are working on the final details so they can enjoy their visit.

A glance to the future – we are looking at 2013 as the 100th anniversary for the Lodge and that says a lot about us. The plans are on the way to have a very festive year with all the brethren so we can all be proud of this accomplishment.

One master wrote in his annual report:

"The greatest asset of the Lodge is what is often called the 'Fidelity Spirit.' This is an expression of good fellowship and kindly feeling which seems to be in the heart of every member and permeates the atmosphere of all our meetings."

FROM THE SOUTH

Brethren, from the South, I greet you. It seems my article for the September/October issue did not appear. There must have been a glitch or something. In any event, Welcome Back! We are up and running with good and bad news.

First, the bad news. We have lost several Brothers recently and some of us have lost several family members. Not to mention the hospital trips for various surgeries and illnesses. It has been a really tough couple of months for the John W. Barkley family. Speaking for the Officers and Brethren, I can say that all of us are with you in these times of difficulty. We mourn those on their great Journey, and hope for a speedy recovery for those of us who are mending.

The good news! It seems Our Inspection Degree work was exceptional. John W. Barkley was presented with the Best Entered Apprentice Degree Award from our District. A Well Done! goes to Worshipful Master Klecan and his Officers. Worshipful Brother Stitak gets chops for his leadership and coaching to make the Inspection as good as it was.

More good news! We recently had our Octoberfest. The dinner was most excellent and there were compliments on the food as usual. Thanks, Brother Wurm and his kitchen crew. We also had a fund raiser at Applebee's on October 12th. Good times.

The Annual Meeting is approaching fast. Current dues cards are required for entry as you all should know. Brethren, please take care of this as we always like a good turn-out for this important event ... (plus the apples are outstanding).

In closing, I would like to say that serving from the South has been instructive, satisfying, and mostly a pleasure. I've enjoyed the counsel of Brethren who have helped with my questions, giving proper instruction, and keeping my sorry butt up to speed. It has been my pleasure to serve this Great Lodge.

—Bro. Larry Dooley, J.W.

OUR THOUGHTS, PRAYERS AND MEMORIES
ARE WITH THEIR FAMILIES AND FRIENDS THEY LEFT BEHIND.

SUNSHINE REPORT

GREAT NEWS! Bro Thomas J. Janik has returned home from his tour of military duty in Iraq. Welcome home, Thomas, we'll be looking for you in Lodge.

RWB Ross Brochhagen has been in and out of hospitals for testing, and had a heart cauterization operation on March 25th, 2011, to correct his cardiac problems. He continued to experience major back issues and recently had surgery to correct his back problems. We pray that he is home recovering, and as we all know Ross, it will not be long before he is out and about again mixing up those pleasing notes and harmony at Lodge and other venues.

RWB Joseph Orosz had cardiac surgery on April 29th, 2011. His surgery went well. He is now home and we understand he is doing fine. He has been out and about and his wife Kitty again has to keep up with him.

WB William Schlatterbeck has been undergoing tests to determine the cause of his internal discomfort.

Bro. George McCulloch and his wife Jean both took a tumble as they exited a restaurant or store [?]. Bro. George was shook up a bit while his wife suffered some bumps and bruises. We understand that they are both doing OK now.

WB Lewis J. Dolezal, Sr., has been receiving therapy for his back condition and it seems to be helping him get around better.

Bro. Alex Stitt continues to be in hospice care at last report.

Bro. Wesley Morgan experienced chest pains again, and some problems with his shoulders and arms. Wes's wife Nancy has experienced some health concerns, too.

Bro. Brad Smith's mother will be having surgery sometime in November 2011.

WB Robert Wakefield recently had eye surgery. Guess he's been looking too closely at the small print in the bank statements and shrinking numbers in the check book. We pray that his vision is cleared up and he gets his numbers columns straight.

Peg Taylor, wife of WB Charles, also had some surgery, understand nothing major, though.

Mildred Mack, wife of our WB Henry Mack, had some hip surgery, and then rehab time in a nursing home. She is now back at home and giving Henry a run for his money again.

It has been reported that Bro. George and Carol Riley have moved together into a nursing home, this after Carol suffered a stroke. At press time, I have not heard which home they have chosen, but we should know before the next issue comes out.

Cards, calls and visits would probably be very welcomed by all our shut-ins so they know that they are remembered and loved by their Brothers and Sisters.

Our thoughts and prayers go out to all of the above members of our Masonic Family, and any and all persons that we have not yet been apprised of their health condition and concerns. If you know of someone in need of our attention and prayers, please call or e-mail our secretary or editor. Their contact info is on pages two and three herein. Please be our eyes and ears. We don't know if you don't tell! And we do not want to bypass anyone in need of our prayers and visits.

As Reported by Our Sunshine Committee and our Lodge Brethren.

WE HAVE A LOCAL FOOTBALL HERO IN OUR MIDST! AND CIVIL SERVICE HERO, TOO!

On December 5th, 2010, our Brother Clarence Watters was elected to and inducted into the Ashtabula County Sports Hall of Fame. This award was for football in 1940. His wife of 65 years, Marilyn, and other family members attended the presentation at a banquet in Ashtabula, Ohio.

Bro. Clarence attended Ashtabula Senior High School from 1938 thru 1940, playing football as a half back in high school and again at Ohio Wesleyan College. After college, he was active in the Coaches Association for a number of years.

Bro. Clarence served our country as a U.S. Marine from 1942 to 1945. He earned a Bronze Star and a Purple Heart, and his Division earned a Presidential Citation. He has been an active member of the VFW.

After his military service, he enlisted with the Cleveland Police Department, where he served from 1950-1975. He worked several years with the Cleveland Police Intelligence Unit, and knew and worked with my father, Inspector Walter Davenport, who served the CPD from June 1939 thru June 1977. He has been Past President and very active in the Retired Police, Fire, and Widows Organization of Greater Cleveland & Cuyahoga County.

Bro. Clarence Albert Watters was raised in Bigelow Lodge #243 on June 26, 1951, 60+ years of faithful Masonic service. He demitted to Halcyon #498 in 1994, and then affiliated with John W. Barkley Lodge #621 on December 6th, 2006, and has been a regular attendee at most Barkley meetings and functions.

Let us all congratulate Bro. Clarence for his football honors, and thank him for his service and dedication to our country and communities, and Freemasonry. I know that I have and will continue to do so again.

HOLIDAY LODGE

Up on the Lodge top, click, click, click...
Down through the chimney with Ole St. Nick.

Searching the Lodge without a cookie in his sight,
Out to the dining room he went and to his delight ...

Fellowship and Brotherhood and OH what a greeting ...
And this was after just a normal stated meeting!

The Brothers took him in as he was their own,
And needless to say he found new friends and a home.

Being it was Christmastime, with his schedule he had to go!
He left with a petition and a Ho, Ho, Ho!

In the following months, no doubt it would be ...
Good Ole St. Nick was raised to that Sublime Degree.

With his new brothers, new friends and new fun,
He helped charter North Pole Lodge No. 1.

On the Lodge door, boom, boom, boom ...
The Tyler announces Bro. Nick to the room.

Now with his red pants, red coat and white apron ...
He brings us all fraternal greetings and a very merry holiday season!
